

AMTA Statewide Music Weekend

Five of our AMTA Local Music Teacher Associations are participating in the AMTA Statewide Music Weekend on February 19-21, 2021. The purpose of the Statewide Music Weekend is to host events that are open and free to the public in order to raise awareness about the events and activities that our wonderful associations have to offer! Here is the rundown of local events:

Birmingham Metro Music Forum

BMMF will do a virtual weekend. Two nonprofits have put together a Covid-19 project called *Children's Story Time: Listen, Listen*. 30 music stories are presented with musicians performing, some of whom have ties in Birmingham. See the link below for examples of this event.
