## *Letter from the President*

Dear AMTA, Congratulations!!! We did it!!! This is a time to celebrate!!!

Give yourselves a BIG pat on the shoulder. Take a deep breath and please take a moment to look back at what you, your students, and your surrounding musical family accomplished over the past four months. Undoubtedly, some of the toughest, scariest, and most challenging four months many of us have ever experienced. You have demonstrated to be resilient, flexible, tenacious, driving, forward thinking, innovative, teachable, goal oriented, positive, uplifting, inspiring, encouraging, kind, generous, unselfish, loving, caring, empathetic, passionate, disciplined, and hard working. Thank you for your commitment to our profession of music, teaching, mentoring, and the people you touch. AMTA is profoundly amazing and inspirational.

Your MTNA National President, Martha Hilley, and I had a lovely conversation at the end of our virtual state conference, and she asked me to relay the following to all of you:

*“Congratulations to all of AMTA for being an inspiration for MTNA and the country. I am so pleased to hear that Alabama is the **first** state of all 50 affiliates to successfully conduct all the planned and scheduled competitions and activities on time even with converting them to on-line versions, as well as to convert and launch a successful virtual state conference. I had an enjoyable, uplifting Sunday as I watched all the presentations and performances. Alabama has some amazing performers and the professionalism of the videos were impressive. Thank you for sharing your virtual state conference with me.”*

It gave me overwhelming joy to be able to share with Martha the names of our AMTA Board members; our district, state, and competition chairs; our local presidents; the members of our District and State Auditions Contingency Planning Committee; our Virtual State Conference Contingency Planning Committee; our Virtual State Conference Technology Team; and key people who all helped to convert all the competitions, auditions, and state conference to virtual events, so that we could protect our members, their students, and their families while maintaining a sense of normalcy, purpose, and vision.

Martha was also excited to hear that the local associations all came together to promote inclusion and music over one weekend in February to impact the entire state. Our “AMTA Statewide Music Weekend” was an opportunity for AMTA to reach further into the community and will hopefully be something we can continue to do in the years to come. This is another unique event Alabama is leading the way in. I was also able to share with Martha how incredible Southern Division is and how hard the presidents of Southern Division worked together and helped each other over the past four months. Our AMTA Virtual State Conference was also observed and celebrated by the other Southern Division Presidents and Vice Presidents and will serve as a template and model for the other Southern Division states as they prepare for their fall virtual state conferences.

Please read carefully what Melody Ng writes below:

*“This Virtual State Conference had a profound impact and touched an unprecedented number of lives in the many thousands. Division 1 Winners Recital alone had over 2000 hits in one week. Repeat viewings do not add to the number of hits/viewings. I was so delighted to hear the many requests of “Can we keep the virtual conference running for another week, the whole month...?” I am sorry that we could not extend our virtual conference to accommodate the many requests. This decision had legal reasons we had to adhere to protect our organization. None the less, it was so inspiring and satisfying to hear how much our conference was enjoyed by so many.”*

Congratulations Melody! What a way to finish your term as VP and to bring proud recognition of Alabama to all of MTNA.

Congratulations to all the students who participated as winners in our State Conference! I am so proud of all of you for your hard work, commitment, and accomplishments. You touched the hearts and souls of so many people who watched your videos. You are uplifting and inspiring! I look forward to what new goals you set this year and to see and hear how much you grow. Congratulations to Savannah Howard (student of Dr. Ron Shinn) for winning the Piano Division 3 ASRA Award! Congratulations to all the collegiate members and members who presented posters and pedagogical sessions at our virtual conference. Your presentations were informative, inspiring, and professional. Thank you for the pursuit of excellence and your willingness to share with others. Congratulations to all the students who participated in district and state auditions, concerto competitions, composition competitions, and MTNA Competitions. With the new addition of Silver and Bronze tracks for pre-college piano auditions and the push of composition participation, our numbers this spring were strong, and we showed growth in composition. I encourage all student composers to continue to create and share your musical ideas. Without composers, we musicians would be out of a job. Congratulations to all the parents and family members for the accomplishments of your children. Thank you for trusting AMTA with the growth and development of your children in the field of music. Thank you, parents, for all your support and commitment, and raising great citizens who are committed to sharing music with the world. We could not have done any of this without you. Congratulations to all the teachers for all the accomplishments you and your students have achieved this past year. Thank you for your hard work, inspiration, commitment, and your flexibility and resilience to be able to continue to serve the world and community. You are raising great music lovers and compassionate dedicated people. You give your students purpose and a higher meaning.

Congratulations to Olivia Jones for completing your NCTM Certification this year. This is a wonderful accomplishment. I encourage each AMTA member to consider pursuing NCTM Certification.

Gary Ingle, MTNA CEO, thanked AMTA for donating to the MTNA Foundation again this year. I encourage all of you to give to the MTNA Foundation to fortify the future of your organization.

During the 2019-2020 academic year, Georgia and Alabama joined forces to do a successful faculty exchange recital program run by GMTA's Tracy Xian and AMTA's Wendy Freeland. This was well received, and this coming 2020-2021 academic year Tennessee and Florida have joined Georgia and Alabama in this faculty recital exchange. Southern Division once again leads the way in another innovative program.

The new development of multiple tracks (gold, silver, bronze) for our pre-college piano auditions has been received with excitement, enthusiasm, and positivity. I look forward to this development growing our state numbers significantly in the years to come and to inspire more students and teachers to participate in the many opportunities AMTA offers. Alabama has successfully answered MTNA's national call to tackle a movement towards more inclusion and more diversity in music, opportunities, and students. This is another way AMTA is leading the way at the state affiliate level with hope and vision.

The AMTA Board has been working hard for you to better your organization and create and develop opportunities for you and your students. These board members and your local association board members give so much of their time and effort for no reimbursement what so ever. Their love and commitment for service is monumental and inspiring. Please do take a moment this summer to thank them for all that they do for the great state of Alabama and music in your community. I want to personally thank a few board members who have given so much of their time and life to your organization and will be leaving the board this July for a variety of reasons. Their many years of service have been so critical to the success of your organization, and their contributions will be remembered with thankfulness and admiration.

Sarah Tanner (Immediate Past President, President, Vice President/President Elect, Secretary, Historian, & Awards Chair), who has been an incredible force of drive, inspiration, and doing. Sarah, thank you for all your enthusiasm, dedication, and leadership. I have no doubt we will be seeing you again soon back on the board in another capacity.

Steven DiBlasi (Treasurer & Secretary), who has been so giving and passionate about service and taking every opportunity and call received with full on commitment and an energetic "Yes" all the time. Steven, thank you for your bottomless kindness and giving. We will miss you so very dearly on the board and wish you the best. I hope you get to enjoy a little bit of extra time for yourself for a change.

Jeremy Samolesky (Judges Coordinator & MTNA Competitions Chair), thank you for your many years of service to AMTA.

Matthew Wilson (Awards Chair & willingness to step up to Treasurer this year), who joined the board two years ago and showed great commitment and dedication to AMTA. We are so sorry to see you leave but are very excited for you to move to Minnesota to start a new chapter in your life and career. We wish you the best as you embark on a new chapter of your life and thank you for your willingness to accept the call to serve and to give with professionalism to AMTA.

Laurie Middaugh (Collaborative Chair), thank you for the many years of service to AMTA. We will miss you. The Collaborative Chair position on the AMTA Board has been dissolved to make the board leaner and more effective for the future.

Susan Hoop (Publicity), thank you for all that you have given to the AMTA Board member for the many years. Your commitment to be a passionate voice of the private studio teacher on the board has given the board many years of wise insight and direction. The Publicity position on the AMTA Board has been combined with the Historian position to make the board more efficient.

Monica Baker (Foundation Chair), who joined the board two years ago and now is expecting her first child. Congratulations and we wish you the best and many great things as you embark on this new chapter and addition to your family. The Foundation Chair position on the AMTA Board has been combined with the Grant Writer position, and Daniel DeKonty will take on these responsibilities.

Janet Blair (Local Associations Chair), thank you for your many years of service on the board. Your kindness and compassion has been a wonderful addition to our board and we will miss having you be the friendly bridge/liaison between the local associations and the board. We wish you the best as you hopefully will have more time to enjoy your family.

Paul Houghtaling (AMTA Auditions), thank you for your many years of service to the board. Your passion of bringing more recognition of the voice and other instruments to the board served as a catalyst to create the ASRA Award Scholarship for each instrument.

Brent Reeves (Concerto Competitions Chair, First Vice President, President, Immediate Past President, & Local Associations Chair), thank you for your many years of service. Your gentle and warm welcoming professionalism will be dearly missed. Thank you for stepping back on the board in a time of crisis. We wish you the best as you hopefully get to spend more time with family.

Kathryn Lamb, (State Strings Auditions Chair), thank you for stepping into this new board position this year and being willing to serve with professionalism in order to grow strings programs in our state. You have had a positive impact on our string community in our state and we look forward to having you continue to coordinate and run state string auditions and grow string numbers in our state in the years to come.

The AMTA Auditions (State Collegiate Piano and Precollege/College Woodwind/Voice/Brass Competitions) Chair position, the Concerto Competitions Chair position, and the Strings Chair position on the AMTA Board have been dissolved and will now fall under the State Auditions Coordinator to make all competitions and auditions flow more effectively and with greater unity. For a long time, AMTA has had a 26 seat state board which is quite large. In order to make the board run more efficiently and affectively, we have decided to thin the board down a little to make it more streamline and to be more practical for daily operation. We are not cutting any programs. Some positions have been combined to make a more balanced board in terms of workload and commitment. All AMTA sponsored state competitions and auditions will now be structured under Kevin Chance as State Auditions Coordinator. He will have a large committee that will work directly with him to coordinate and run the district and state auditions and competitions. District piano chairs, non-piano chairs, and collegiate chairs will all serve on this new committee, and Kevin will be the voice on the board. Over the past several years, the board has worked hard to create greater unity and a more effective process to run competitions that conclude with celebration at your state conference and this is one of the final steps in being able to make the entire annual process more smooth and efficient.

Thanks to Mark Degoti, Steven DiBlasi, Ron Shinn, and Barbara Shinn, AMTA now has a fully up to date membership directory for the first time. This is a great asset to our organization and members as we look forward into the future.

AMTA is also one of the few states that has professional development opportunities in multiple instrumental disciplines at our state conference. We have consistently sponsored strings and voice clinicians and workshops along side piano. AMTA and MTNA are “Music Teachers” organizations and AMTA will continue to pursue development opportunities in all instrument areas. Your AMTA board members have a moral compass that guides them towards continuing to fulfill our mission and have long term vision.

Two years ago the board had 14 open positions that needed to be filled and last year we had 6 open positions. One of the reasons the AMTA Board is so successful is that we are made of a wide variety of committed people. Diversity, inclusion, collegiality, cooperation, and collaboration stand as corner stones of ideal. Wisdom and experience provided by veteran members working side by side with young newer inspired members come together to create harmony and direction. AMTA is great at developing leaders and investing in our future. I experienced this firsthand when I first came to Alabama 9 years ago. Barbara and Ron Shinn invited me to join the AMTA Board and welcomed me with gracious warmth and encouraging hopes. They both have been active advocates for developing former students into professionals and leaders in AMTA along side many other collegiate faculty in our state. AMTA board members have mentored me and helped me grow as a leader and put their faith in me over the past 9 years and for this I am so very grateful. AMTA has inspired me to continue in this tradition to bring in new and passionate board members and to dedicate my tenure as your president to develop people.

I am so grateful and happy to watch the newer board members thrive and grow in their positions and in leadership. Brittney Patterson, Daniel DeKonty, Matthew Wilson, Laura Beth Mitchell-Bissett, Kathryn Lamb, Eun-Hee Park, Monica Baker, Karen Hickok - thank you for answering my call to join the AMTA board and serve during my tenure as President. AMTA and I are grateful for your excitement, contributions, commitment, and willingness to give and serve along side me and the board members who have a few more years under their belts in AMTA. Sarah Tanner, Ron & Barb Shinn, Steven DiBlasi, Jodean Tingle, Frances Schwemmer, Kevin Chance, Wendy Freeland, Brent Reeves, and all others who have served on the board during my tenure - thank you for continuing in your roll or taking on a new position on the board and sharing your wisdom, guidance, and mentorship to all on the board and me. Thank you for your service and for being who you are. Great culture is built together by blending tradition with vision and working together towards a common greater good.

I look forward to the next two years with great hope and excitement as your new elected board of officers takes AMTA to new heights and greatness.

Melody Ng – President  
 Laura Beth Mitchell-Bissett – First Vice President/President Elect  
 Barbara Shinn – Second Vice President of Membership  
 Cindy St.Clair – Treasurer  
 Scott Schwab – Secretary  
 Eun-Hee Park – MTNA/AMTA Judges Coordinator  
 Kevin Chance – State Auditions Coordinator

AMTA, you are in great hands and I look forward to continuing to work side by side with your AMTA board as your Immediate Past President. I want to finally say thank you from the bottom of my heart to AMTA for putting your trust and faith in me and allowing me to serve as your President. It has been a great honor and a humbling privilege to serve you in this capacity the past two years. I will forever cherish all that I have learned and the relationships I have developed in AMTA and in Southern Division as I continue to pursue personal growth. I am so fortunate to have such a wonderful family to be a part of. Thank you.

With Respect and Admiration,

# *The 68th Annual AMTA Conference (Virtual Edition)*

2020 AMTA Conference was originally planned to be held at UAH in the end of May. As unusual circumstances took place, AMTA quickly reacted to transform this annual face-to-face event into a virtual format. Thank you all for making the 68th Annual AMTA Conference/2020 AMTA Virtual Conference possible. We continue the tradition to celebrate music teaching, learning, and performance in Alabama through the digital platform. This first virtual conference could not have been made into reality without all your incredible work to continue your music teaching and preparing students for the auditions amid the sudden shifts to all things online. My heartfelt gratitude to all of you for working tirelessly to make the local and state auditions highly successful during the challenging times. Thanks to the dedicated hard work and support of AMTA members and volunteers, the 2020 AMTA Virtual Conference was held through the AMTA website on June 12<sup>th</sup>-18<sup>th</sup>, free and open to the general public. The deadline for winners' video submissions was May 29<sup>th</sup>, 2020 and we received 115 videos. The online submission process went smoothly, and the Virtual Technology Team worked hard to create the virtual recitals. Many thanks to the Virtual Technology Team which consisted of Stephanie Archer, Laura Beth Mitchell-Bisset, Lillian Roberts, Omar Roy, Scott Schwab, Barbara Shinn, and Ron Shinn. Thank you for the work of the Conference Contingency Plan Committee which made this virtual conference planning and implementation possible. The Committee consisted of Steven DiBlasi, Wendy Freeland, Josh Pifer, and Ron Shinn. All the virtual conference webpages were created seamlessly thanks to Ron Shinn, AMTA web editor. Here is the breakdown of the video submissions for your information:

## ***AMTA COLLEGIATE MEMBERS***

Bravo to our collegiate members for excellent research in 2020! Two poster presentations were featured in this year's **Virtual State Conference**. Mimi Zhang's poster presentation *Preventing Fatigue in the Practice Room*, and Kara Hurt's poster presentation *Understanding the Artistic Sight of Musicians* were illuminating. Ms. Zhang is pursuing a Master of Music degree in Performance at the University of Alabama, and Ms. Hurt is pursuing a Bachelor of Music degree in Piano Pedagogy of the University of Alabama-Huntsville.

Currently there are four collegiate chapters in Alabama: University of Montevallo, Samford University, University of Alabama/Huntsville and University of Alabama.

## Baldwin County News

How could this pandemic be happening in what most everyone thought our scientific research and technology could come up with a “quick fix.” Of course, all of us are probably accessing our teaching procedures over the last four months. What we assumed would pass in a few weeks turned into a new norm. Can we continue to guide our students to make artistically and technically perfected performances over a small screen on our iPads or laptops? This has been, at least, for me a most trying time. Hopefully, my students have been able to maintain what skills and musicianship they had gained before mid-March when normal teachings styles came to an abrupt halt. Luckily, they had reached performance-ready on their pieces and theory for the District Auditions in early March. Several teachers in Baldwin County proceeded with video auditions as recommended by AMTA. District One had an amazing number of participants in spite of the rigors of making YouTube submissions by parents. We need to commend our parents for all the efforts they make to help their children succeed.

The Boys Recital was held on February 8 at the Summerdale Civic Center. This is exclusively an ALL BOYS event. They prepare a memorized selection to share with others. This event seems to be a big hit with the boys who dress in suits and ties without having to share the stage with lace and frills and bows and sparkles.

Unfortunately, our Adult Musicale, scheduled for late March, was cancelled. This is held each year for the benefit of our adult students in an environment that is very relaxed and nurturing. Participants share a selection they are working on and are given great encouragement from fellow adults who are pursuing the same skills on their instrument. I surely hope next year we can make this happen.

National Piano Guild was a success in spite of the Corona Virus. This was held at the United Methodist Church in Daphne, AL. Karen Hicks organized the event with rigorous cleaning between each participant. Our Guild was scheduled for the first week that the schools in Baldwin County were shut down, as a result some of the students scheduled to participate decided not to. Thus, our numbers were impacted. Those that did participate went home feeling a great accomplishment.

The Senior Recital was also cancelled. This was scheduled for early May for all seniors still studying privately on an instrument. Sadly, this very formal event did not happen for our dedicated seniors. They sacrificed much this spring in the wake of the pandemic. We surely wish them well in all their future endeavors.

Many of our spring recitals were also postponed or cancelled. Though we sacrificed much during this time, we have surely learned much about adapting our teaching to a new platform. May this be only a temporary chapter in all of our teaching experience. It surely will be a memorable one.

## *AMTA FACULTY MEMBERS SHARE THE MUSIC*

AMTA members teaching at institutions of higher education plan to continue spreading music across the south by participating in the Faculty Recital Exchange. This year, the Faculty Recital Exchange will include performers from Tennessee and Florida, in addition to Alabama and Georgia. Organized by Faculty Forum Chair Dr. Wendy Freeland and Georgia's College Faculty Chair Dr. Qiao-Shuang (Tracy) Xian, ten performers will participate during the 2020-2021 academic year, including our own Joshua Pifer, Kevin Chance, Robert Holm and Deborah Loach. We are proud of our talented colleagues!

### *Certification News*

Because we were unable to have our annual conference banquet this year where we introduce and present the certification pin to newly certified members, we want to spotlight Olivia Jones in the Soundboard. She is a graduate of Samford University in Piano and Piano Pedagogy (2019) and studied with Ron Shinn and Connie Schweigert before that. With her interest in establishing a private independent piano studio, she has built up a studio of 40 students and is the Theory Exam chair for Metro Music Forum. Congratulations, Olivia!

Other members with certification “work in progress” are Matthew Wilson (Birmingham, moving to Minneapolis), Nicholas Robertson (Birmingham) and Heather Weber (Montgomery). We look forward to presenting all of you as newly certified AMTA members!

Barbara Shinn—AMTA Certification Chair

### *Huntsville News*

HMTA successfully transitioned from Frances Schwemmer to Susan Hoop as District Chair for the April 2020 AMTA District VIII Piano Auditions in Huntsville, Alabama. Susan Hoop did a great job transitioning to a virtual audition process for the District VIII Piano Auditions, resulting in renewed energy in HMTA membership.

HMTA also set up the first ever Covid-19 HMTA Scholarships this past spring. The scholarships were \$100 per scholarship, and were to be used for payment of private music lessons of a student of a current HMTA member. 4 scholarships of \$100 each were given out. The scholarships had to be used by May 31st, 2020. The idea behind the Covid-19 HMTA Scholarships was to be supportive of HMTA members by providing a way for talented music students to continue studying music privately with HMTA members during the Covid-19 outbreak.

Deborah Loach—HMTA President

## Thank You

I want to thank the many AMTA Members from all over the state who reached out to me expressing their sympathy upon the death of my husband, Ed, in late February. It was uplifting to read the cards, letters, and Facebook messages of condolence for about a month or so. Many colleagues called for a visit during the shutdown and that was appreciated also. The evenings were especially lonely after teaching and I would get my mail and presto -- some notes from my AMTA colleagues which would lift my spirits!

Thank you,  
Frances Schwemmer

## Foundation Fund

During the 1990's AMTA members, who were active at the national level, worked with the MTNA Foundation, the Gloria Narramore Moody Foundation, and the AMTA Executive Board. Because of their vision the **Amanda Ward Penick Endowment Fund** was established as part of the MTNA Foundation. This fund "supports teacher enrichment grants benefiting Alabama and Southern Division Teachers." Professor Penick was on the piano faculty at the University of Alabama from 1953-2014. She was awarded the AMTA Teacher of the Year in 1996 and MTNA Teacher of the Year in

2008. From her studio came state, regional, national, and international competition winners. Her students teach throughout the state, region, and nation. Ms. Penick passed away in 2016. The Amanda Ward Penick Endowment is still in place. Any who give to the MTNA Foundation have the option of designating a gift to this fund.

Manley Blackwell—President WAMTA

## MEMBERSHIP REMINDER....

You may be aware that MTNA has extended the due date for membership dues from July 1 to September 1 this year because of the COVID-19 pandemic. AMTA allows a "grace period" until October 1, but if dues are paid after that date, those teachers will be required to pay the non-member fee to enter students in AMTA events.

## *Syble Coats Tribute*

I was deeply saddened when I learned that one of West Alabama Music Teachers Association's most exemplary members, **Syble Morrow Coats**, passed away on June 24, 2020. She is survived by her husband, Gordon Coats; her daughter, Brittley Coats Graviet and her husband, Kristopher Graviet; her grandchild, Hayden Graviet; and by other family members and friends.

I first met Syble in the mid-1990's, when I was a new faculty member at the University of West Alabama. I was at Southeastern Music Gallery in Tuscaloosa shopping for music. I do not know how Syble knew me, but she called me by name and introduced herself. She told me she had scheduled a guest presenter to work with her students at Shelton State Community College and invited me to attend. Little did I know that would be the theme of many conversations for years to come. Syble had performances or projects in progress, she wanted as many people as possible to benefit from her activities, and she would extend an invitation.

Syble was an excellent musician and a highly accomplished pianist. She was very proud of her education, which included Bachelor and Master of Music Degrees from the University of Alabama. She was especially grateful for her studies with Professor Amanda Penick. While working at Shelton State, she was given the opportunity to play at Carnegie Hall twice. I was fortunate to hear two of her local performances. The more recent occasion was on October 9, 2019, when she and Lillian Roberts performed a program of piano duet music for the Demopolis Music Study Club. To say that Syble performed "as long as her health permitted" is a bit of an understatement. Syble performed that afternoon with the assistance of an oxygen tank and an oxygen tube. She also needed a walker to make it from the car to the piano. The music was beautifully played, and the recital is a memory I will always cherish. Our music club is so grateful to Syble and Lillian for making this effort.

Syble was a passionate and dedicated teacher. She was a faculty member at Shelton State for 38 years until her retirement in 2014. From 1979-2005 she was the Department Chair. She organized the weekly "Terrific Tuesdays" recital series. In 2005 she was awarded the Dr. and Mrs. John W. Todd Award for Excellence in Teaching from Shelton State. During that same year she was awarded the Druid Arts Award for Music Educator of the Year by the Arts and Humanities Council of Tuscaloosa. In 2010 she received the Alabama Music Teachers Association Teacher of the Year Award. Her AMTA Award is the topic of an (unsigned) article from the July 2010 Issue of the *Soundboard*. In the article Syble said of her own teaching, "If a student has the desire and ambition to learn, then as a music educator, my job is to provide the tools for the student to be successful."

Syble truly understood the importance of volunteerism and service. Her contributions to the West Alabama Music Teachers Association are numerous. She was President from 1998-2005. Later she became the Public Relations Officer and organized student recitals. I was always pleased when my students played for the AMTA District Auditions and Syble was the adjudicator. She also served on the AMTA Executive Board as 2<sup>nd</sup> Vice President, Independent Music Teachers Forum Chair, and as Treasurer. I always admired the enthusiasm and energy Syble brought to any activity she organized. Her commitment was the same, whether her own students were participating or not. When my students performed for WAMTA recitals, Syble always took the time to congratulate them and to thank the parents for making it possible for the students to come.

Syble was a member of the Tuscaloosa Music Club and the Alabama Federation of Music Clubs. For many years she was the organist at Forest Lake United Methodist Church. According to Syble's Obituary, she was involved in many community activities and college committees. Her volunteerism was not limited to music.

Well Syble, your performances have been played, your students have been taught, your Department Chair duties have been completed, and your volunteer activities are now finished. Everything you did for us, you did well. It is now our turn to follow your example. We thank you, and we miss you. We admire you, and we honor you. We are grateful for your presence in our lives, and we treasure your memory.

Manley Blackwell—WAMTA President
